pH	
TA	g/L
Cellaring	Drink now, Cellar 15+ years

Serving Suggestion

Description

Winning a Gold medal in its first show and Top Gold and Trophy in its second this wine is the best of what the Hunter does best, aged Semillon. The judges say that it has big, generous, smooth, ripe Semillon flavours, now at its peak. Invite your friends over when you open this wine, improves dramatically when decanted and rested for 10-15 minutes. Don't serve it too cold; around 15°C is best.
